Dear Customer,

RoHS 3 - Declaration

CUC Engineering A/S is committed to be in compliance globally with all applicable laws, directives and regulations.

Unless otherwise specified, CUC Engineering A/S certifies that all its products that are identified as RoHS fulfill the definitions and restrictions defined under directive 2011/65/EC of the European Parliament and of the Council of June 8, 2011 and amendment RoHS 3 EU Directive 2015/863 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (EEE) – recast.

This ensures, that our customers will receive only RoHS compliant components. The compliance has been noted as a part of our purchase orders and the required declaration of compliance for the actual product.

If for technical or scheduling reasons we are unable to supply with RoHS compliant components we would inform you before accepting the order. Only if you have accepted explicitly to be supplied with non-RoHS compliant components we will perform with the purchase order and delivery.

We hope this letter gives sufficient information but if you need any further assistance or have queries please do not hesitate to contact us.

For more information, please contact our Production Director at sbj@cuc.dk.

Kind regards

Rasmus Højmark
